EVB Brackets

2018

A unique Bracket System

- all components designed for a perfect system family
- ongoing development
- made of best materials
- most components in stock
- high volume production
- competitive prices

Wall Bracket

A good solution, if no cover is needed.

Bracket 93mm, thickness 3mm

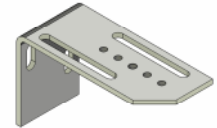

818 050

Bracket 138mm, thickness 4mm

818 055

Bracket 188mm, thickness 4mm
(steel, zinc plated)

818 057

Special bracket 93mm, thickness 3mm

818 060

Special bracket 138mm, thickness 4mm

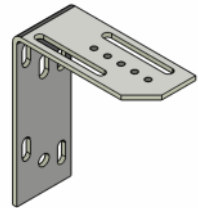

818 065

Special bracket 138mm, thickness 5mm

818 066

Special bracket 188mm, thickness 4mm
(steel, zinc plated)

818 067

Bracket hr 56x58, 2 screws

819 010

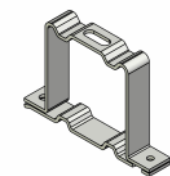

Bracket hr 56x58, 1 screw/1 rivet

819 011

Bracket hr 51x57, 2 screws

819 013

(steel, zinc plated)

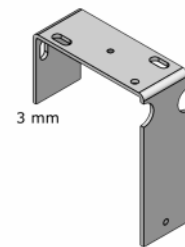

Standard Bracket

The most cost-effective solution for a bracket with cover.
